

Provisioned 20+ enterprise users in Microsoft Entra ID and assigned Microsoft 365 Business Premium licenses to enable single sign-on (SSO) and core cloud services

Add users to Microsoft 365

1

1 Usernames and passwords will be sent to you via email. If you need to help others sign in if needed.

Add other people so they can use Microsoft 365. Users you add here will be assigned a license for Microsoft 365 Business Premium. Licenses remaining: 24

Users will sign in with Mohamed088.onmicrosoft.com email addresses.

If you own a domain (such as northwindtraders.com) and want to use it for email addresses instead, [set up email with a custom domain](#).

Demonstrated identity controls by auditing user profiles in Entra ID and executing full session revocations across all enrolled devices.

Configured default storage quotas (1024 GB) and inspected personal OneDrive document libraries to verify endpoint file synchronization.

Executed emergency account isolation controls by blocking sign-ins for potentially compromised user credentials.
